Letter of Appreciation

15 JUNE 2021

Scott, Gabriel, Lupe and the entire Artisan Team,

I wanted to author this Letter of Appreciation for all of your hard work and timely efforts getting our Board Room, CEO's Office and other Conference Rooms live for us on such short notice after our move-in. Additionally, your recommendation of what to and what NOT to purchase was of great value to us as well – so thank you. Business Integrity is always welcomed and appreciated!

With the deployment of our industry changing software platform, the explosive growth of My Carrier required us to quickly expand to a facility large enough to house our growing staff and get everything operational – NOW! And from a Technology Manager position, the fact that Artisan Systems took these big "To Do" items off our hands so we could focus on other things was truly invaluable.

My Carrier has disrupted the market making LTL shipping affordable, faster and simple by creating:

**"HARMONIZED SHIPPING" - a Single Platform connecting shippers  
to ALL their carriers simultaneously letting you the shipper pick  
YOUR CARRIERS. YOUR RATES. YOUR WAY.**

Putting everything a shipper needs in one place creates increased process efficiencies, better overall visibility, and better shipping outcomes for their business. We simply help other companies excel – similar to Artisan's business model.

Scott, as we grow, we will continually be engaging you and Artisan Systems to return to perform your A/V magic in our offices. Thank You!

Sincerely,

A handwritten signature in black ink that reads "Christopher Horvat".
